Attached is the final Galley copy of *From the Company of Shadows* with the changes you requested on the following pages:

(b)(3) NatSecAct

The page numbers may be slightly different following these changes. You can locate the changes you requested using the text on the page.

Also please note I have deleted the *Forward* from the original book and replaced it with an *Introduction* on

(b)(3) NatSecAct

Finally, I have included photos of (b)(3) NatSecAct

Whew! I think we are done.

Thanks for all your help.
